NOTE: The present volume contains only the Prelude/Fugue sets (also called "two-movement" Preludes-and-Fugues). Individual Preludes and individual Fugues for organ will appear in a future Dover volume that will also include Toccatas and Fugues and other organ works.

Two compositions listed in the 1980 New Grove as Prelude/Fugue sets are not included here for the following reasons: the Prelude and Fugue set in E-flat Major ("St. Anne," BWV 552) has already been included, as part of the Clavierübung Part III, in Dover's volume Johann Sebastian Bach: Organ Music (22359-0); the Prelude and Fugue set in E Major (BWV 566) is considered by us, as it is by Schmieder, a Toccata and Fugue set, and is to be included in the above-mentioned future volume.
